Conditions of participation and payment

Registration must be in writing (e.g. also by fax and email) before the start of the seminar. Applications are recorded in an address file, processed in the order in which they are received, and then confirmed if accepted. Registration is binding for the participant.

It is only possible for the participant to cancel the registration cost free up to three weeks before the start of the seminar. Cancellation must be in writing. If cancellation is received later or the participant fails to attend or breaks off the seminar prior to completion, we will charge the

full amount for the seminar. The relevant date is the date when the cancellation is received at our office. It is possible to name a substitute at any time. Payment of the seminar fee confers entitlement to receive the seminar documents.

The participation fees are net prices. If not stated to the contrary, the current statutory rate of VAT must be added. The participation fee falls due upon receipt of invoice, without any deduction. Please only transfer the stated invoice amount following receipt of invoice, stating the invoice number.

TÜV NORD retains the right to cancel a seminar based on an insufficient number of participants or if reasons for cancellation exist for which TÜV NORD is not responsible (e.g. illness of the trainer, Act of God). The participants are informed immediately in such cases. Any seminar fees that have already been paid are reimbursed; further claims are expressly excluded!

Final provisions

If one or more of the above provisions should be or become invalid, the validity of the remaining conditions shall not be affected. Provision(s) which approach as closely as possible the business or economic objective of the contract and which take due account of the interests of both parties shall replace the ineffective provision(s).

The data required for registration is only transferred to third parties after the current valid data protection regulations have been taken into consideration.
