

FS 003 HACCP Lead Auditor Training

Objective:

The aim of this course is to familiarize participants to the CCFRA Lead Auditor Level. The course provides skills, knowledge and understanding of principles and practices of internal and external auditing of HACCP. On successful completion of the course, the delegates will be capable of performing effective audits of companies' HACCP, reporting the outcome and determine whether or not it meets the requirements of the HACCP series of standards.

Contents:

- An introduction and explanation of Food terminologies.
- Philosophy and fundamental principles of HACCP.
- A brief review of the requirements of HACCP standard.
- An explanation of audits, their purpose and planning, and the way to approach, perform and report an audit.
- Scheduling and planning of HACCP internal and external audits.
- Auditor's responsibilities, personnel attributes and Auditor selection.
- Successful tools and techniques for HACCP auditing.
- Effective reporting & follow-up of HACCP auditing.
- Auditor registration Scheme.
- Examination.

Who Should Attend:

- All levels of management who are involved in HACCP internal & external auditing.
- All levels of management who plan, execute and follow-up HACCP internal & external auditing.
