ISO 9001:2015

New structure, changed emphasis

£199 + VAT

1 day

It is anticipated that towards the end of 2015 the International Organization for Standardization (ISO) will issue the updated version of the Quality Management System (QMS) standard, ISO 9001.

The changes are expected to be significant, with the introduction of a new risk based approach and a change from 8 to 10 clauses. [More info](#)

TÜV UK can support you and your organisation in understanding and implementing the changes to ISO 9001:2015.

TÜV UK will be holding a series of ISO 9001 revision workshops at venues nationwide following final release of the ISO 9001:2015 standard.

Who should attend?

If you are a Quality Manager, have responsibility for your organisations QMS Audit Programme, are an internal auditor, or a consultant, then this briefing session is a must for you.
