
FOSTAC Training Program

FSSAI had made Training mandatory of all Central and State Licensed FBOs under FSS Act, October 06th 2017. Each Food Business Operator having Central & State License to have at least one trained & certified Food Safety Supervisor for every 25 food handlers or part thereof on all their premises. FSSAI has designed a large scale Food Safety Training & Certification Program (FOSTAC) for food business businesses across the value chain

TUV India is authorized by FSSAI to provide training under this scheme. We are conducting a range of In-house and Open training for Individuals and Corporates alike.

Courses

10 types of Competence based certification programmes are available under FoSTaC. Duration of each course is of 4 to 8 hours. Course have been developed by domain experts and visited by expert committee of FSSAI. Training manuals are based on general hygiene or manufacturing practices as detailed under schedule 4 of FSS Regulation courses have been divided into following 3 levels.
