

# NEBOSH International General Certificate (IGC) Course

NEBOSH International General Certificate (IGC) is one of the highly endorsed occupational safety qualifications across the globe. It offers knowledge, skills and know-how to fulfil the health and safety responsibilities for any individual working in any kind of organization.

- NEBOSH International General Certificate (IGC) Course will give you vital knowledge to help you perform better in your role at work.
- Holders of the NEBOSH International General Certificate (IGC) in Occupational Health & Safety are entitled to Associate Membership (AISOH) of the Institution of Occupational Safety and Health (IOSH). The qualification also meets the academic requirement for Technical Membership (Tech IOSH) of IOSH.
- NEBOSH International General Certificate (IGC) discover skills and techniques that are useful and practical, not just theoretical.

## Who should attend?

- Managers, Supervisors
- Health & Safety Professionals
- Persons working on sites and others who require a basic knowledge and understanding of Health and Safety Principles and Practices
