

OHSAS 18001:2007 Internal Auditor

The course is highly interactive, not only with reference to answering queries, but also sharing the experience gathered through regular audits & working experience in the industry. The course includes series of lectures with individual/syndicate exercises for better learning.

The essential objective of this course is to refresh and/or review the structure & basic requirements of OHSAS 18001:2007 & enable the company employees to plan & conduct the internal audit to improve the effectiveness of OHSMS & add value to the organization. It also helps people to get an opportunity to enhance their auditing skills & demonstrate compliance to the standard's requirement.

Who should attend?

- Delegates who wish to become competent internal auditor for OHSAS
