

CQ/IRCA Approved OHSAS 18001:2007 Lead Auditor Course

This course is approved by the IRCA (International Register of Certificated Auditors, London) registration governing board and satisfies part of the formal training requirements for individuals seeking registration under the IRCA OHSMS Auditor/Lead Auditor Registration Scheme. The course includes series of lectures with individual/syndicate/role play exercises for better learning.

The course objective is to refresh/review the structure & requirements of OHSAS 18001:2007, to enable delegates understand Key concepts in OHSMS auditing, to impart/enhance practical auditing skills to become internationally recognized certified Auditor/Lead Auditor and to enable the delegates to plan, conduct & manage OHSMS external (second and third party) as well as internal audits in accordance with the principles & guidance of ISO 19011.

Who should attend?

- Individuals interested in becoming certified external and/or internal auditors for OHSMS
- Individuals wishing to implement OHSMS based on requirements of OHSAS 18001 in their organization
