

CQ/IRCA Approved ISO 27001:2013

Lead Auditor Course

This course is approved by the IRCA (International Register of Certificated Auditors, London) registration governing board and satisfies part of the formal training requirements for individuals seeking registration under the IRCA ISMS Auditor/Lead Auditor Registration Scheme. The course includes series of lectures with individual/syndicate/role play exercises for better learning. With objectives to refresh/review the structure & requirements of ISO 27001:2013, to enable delegates understand Key concepts in Information Security Management System auditing, to impart/enhance practical auditing skills to become internationally recognized certified Auditor/Lead Auditor and to enable the delegates to plan, conduct & manage ISMS external (second and third party) as well as internal audits in accordance with the principles & guidance of ISO 19011.

Who should attend?

- Individuals interested in becoming IRCA certified Auditors/Lead Auditors for Information Security Management System (ISMS)
- Individuals wishing to implement ISMS based on requirements of ISO 27001:2013 in their organization
