

## ISO 50001:2011 Internal Auditor

The course is highly interactive, not only with reference to answering queries, but also sharing the experience gathered through regular audits & working experience in the industry. The course includes series of lectures with individual/syndicate exercises to achieve the learning objective.

The course objective is to refresh/review the structure & requirements of ISO 5000, to enable delegates understand Key concepts in Energy Management System auditing, to impart/enhance auditing skills and to enable the delegates to plan, conduct & manage EnMS internal audits in accordance with the principles & guidance of ISO 19011:2011.

### Who should attend?

#### Individuals interested in:

- becoming competent internal auditors for EnMS,
- Implementing EnMS based on requirements of ISO 50001 in their organization,
- Attending higher level courses such as EnMS Lead Auditor Course
