

# General Data Protection Regulation (GDPR)

## Awareness Course

The General Data Protection Regulation (EU) is regulation in European Union Law on data protection and privacy for all individuals within the European Union. It addresses the export of personal data outside the EU. The GDPR aims primarily to give control back to citizens and residents over their personal data and to simplify the regulatory environment for international business unifying the regulation within the EU. Course gives adequate knowledge of GDPR so that its implementation is effective and safety measures are in place.

### Course Objectives

- Introduction to GDPR
- Whom does it Impact
- What is required
- Check Points
- How do standards affect GDPR Effectiveness
