

- **The Benefits of ONE/TÜV/BV ASME Services**

Our services include, but are not limited to the following:

- Consulting, Codes & Standards Engineering
- Training and Indoctrination
- Design Calculations
- Authorized Inspection
- Third Party Inspection & Audits

- In plant engineering the ASME Boiler and Pressure Vessel Code is the key to international markets. **Export barriers** can be overcome in the USA, Canada and some 113 other countries world wide when the components are manufactured in accordance with the ASME Code.
- The ASME Code establishes the requirements for manufacturer certification, quality assurance, design, materials, manufacturing and testing of Power Boilers, Heating Boilers, Pressure Vessels and Nuclear Components

Benefits

with

TUV India Private Limited

- ✓ **Excellent experience in handling complex equipments/ projects – such as Coal Gasifiers, Coke Drums, Carbamate Condenser, BASF Reactor, Ammonia Converter, FRP Column, LPG, Bullets for projects viz. Reliance Jamnagar, VTV, IOCL Panipat, Kinenco etc.**
- ✓ **Backing of TUV NORD Group(TNG) of Germany (est. 1869), , known for technical excellence in Europe and worldwide**
- ✓ **TNG has Full range of technologies – Boilers, Vessels, Nuclear, Vehicle, Electrical,**

Benefits of TUV India Private Limited

- ✓ **Notified body (No. 0045) for CE marking - PED, Machinery, LVD....**
- ✓ **Well recognized Certification Body for ISO 9001, 14001, > 4500 clients – small, medium, big**
- ✓ **Practical, independent, technically correct advice from Industry experienced, skilled, approachable Inspectors & Auditors (>250).**
- ✓ **Services can be provided through >24 Offices located across India.**

TUV NORD

ASME INSPECTION SERVICES

- TUV India has 5 nos. (**AI**) Authorized Inspectors and 1 (**AIS**) Authorized Inspector Supervisor & 2 nos. of (**ANI**) Authorized Nuclear Inspectors who are well qualified and experienced.

- Located at different locations in India(Mumbai, Pune, Baroda, Kolkata) to provide inspection coverage throughout the country.

ASME INSPECTION SERVICES

- TUVIPL has a Engineering verification group headed by an Authorized Inspector well experienced in review of drawings and design calculations as per ASME Codes.
- TUVIPL has Authorized Inspectors who are well qualified and experienced in NDE , holding ASNT level II , III certifications in RT,UT,PT & MT, VT.

MAJOR CLIENTS

- We have won 26 contracts for AIA services
For **U, S, R, PP** and other stamps

- Some of the major clients are as follows,
 - **LARSEN & TOUBRO – MUMBAI (2ND AIA)**
 - **TEMA - MUMBAI (2ND AIA)**
 - **DAS OFFSHORE - MUMBAI**
 - **BARODA EQUIPMENTS - BARODA**

MAJOR CLIENTS

- **McNALLY BHARAT – KOLKOTA**
- **PETROMAR ENGINEERED SOLUTIONS – MUMBAI**
- **FURNACE FABRICA – MUMBAI**
- **ENGINEMATES – MUMBAI**
- **CRYSTAL SYNDICATE – MUMBAI**
- **TRANSPARENT ENERGY SYSTEMS - PUNE**
- **SPEC – LAHORE**
- **IKAN – LAHORE**
- **BAKSHI CHEM PHARMA – MUMBAI**
- **PRAJ INDUSTRIES – PUNE (2ND AIA)**
- **FILTER CONCEPTS - AHMEDABAD**

SOME OF THE MAJOR JOBS INSPECTED

- COKE DRUMS –. (LARGEST IN THE WORLD)
FOR IOCL BARODA AT L&T HAZIRA WORKS

- REPAIRS ON TEST SEPERATORS AT
OFFSHORE PLATFORMS OF ONGC.

- PROCESS EQUIPMENTS IN LAHORE
- QUICK OPENING CLOSURES
- FILTER SEPERATORS
- HEAT EXCHANGERS .

ASME 'N' Stamp preparation

- TUV INDIA also have 2 nos of ASME Authorized Nuclear Inspector (ANI)

Thank you.
