TUV USA, Inc. looks to growth with appointment of new Program Manager.

Salem, New Hampshire -- TUV USA, Inc. announced today that it has appointed Mr. Yuksel Eyyuboglu as its Program Manager for their Food Safety Division.

“We are delighted to welcome Yuksel Eyyuboglu to the TUV USA Family. Yuksel will take over the responsibilities of the Program Manager and Operations Manager for the Food Safety division. He has proven expertise in the field of Food Safety certification and with his enthusiasm to grow and succeed, he will give further growth to our Food Safety division,” says Hakan Sen, TUV USA Managing Director.

His role will include the development of services, sales, and marketing activities across the food division, nationwide, and globally. Advising Executive Management on market opportunities and related staffing, training, and investment needs.

Mr. Eyyuboglu holds a M.Sc., Food Science & Engineering from Aegean University, Izmir, Turkey, and was formerly the program manager with SAI Global Northamerica. Yuksel has an impressive work history and a list of accolades that includes SQF Auditor of the Year (2016 - SQFI International Conference) and BRC Auditor of the Year (2017 – Food Safety Americas Conference).

TUV USA Inc. is a member of the TUV NORD Group employing 17,000 staff worldwide. TUV USA was founded in 1984 and is operating successfully in the US market for more than 30 years.

TUV USA, Inc. has the expertise to help companies from small to large who need regulatory assistance and accurate information. We also provide ISO 9001, 14001, OHSAS, AS9100, AS9110, AS9120, ISO 13485, MDD, MDSAP, ISO 27001, Food Safety certification services, training services as well as technical inspections. All auditors are industry experienced and most have more than 15 years of industry knowledge and auditing experience.
