

Statement regarding a rented location and/or outsourced services for organic products

Declaration regarding a rented location or subcontracted services for activities related to organic products as referred to in Article 2 and in accordance with Article 34(3) of Regulation (EU) 2018/848	
Name and address of the tenant:	Name and address of the owner/service provider:
Tenant company number:	Address rented or subcontracted location:
Nature of the agreement and the organic activities foreseen:	
<p>The above-mentioned tenant with the above-mentioned company number, under the control of TÜV NORD Integra, declares to rent a location or to outsource a service at the above-mentioned address of the rented or subcontracted location and of the above-mentioned owner/service provider, with the aim to store and/or prepare organic products under the responsibility of the tenant, who remains responsible for compliance, and in accordance with Regulation (EU) 2018/848 on organic production and labeling of organic products.</p> <p>With this signed declaration, the owner/service provider mentioned above, authorizes TÜV NORD Integra to visit the address for the rented or subcontracted services to carry out announced and unannounced inspections as referred to in Chapter VI of Regulation (EU) 2018/848 and to take analysis samples, concerning official inspections and other official activities performed to verify, throughout the entire process at all stages of production, preparation and distribution, that the products specified in Article 2, paragraph 1 of Regulation (EU) 2018/848 are produced in accordance with this regulation. The lessor/service provider ensures not to prevent the execution of the inspections.</p> <p>Each undersigned confirms the correctness of this statement and his agreement. The tenant will inform TÜV NORD Integra without delay in case of any changes.</p>
