

Webinar on Introduction to Piping Stress Analysis and Good Engineering Practices in Piping layout Design (Weekend Batch)

Date : 18th July 2021, Time: 10.00 am to 1.00 pm

Course Features

This course is designed to provide basic inputs and good engineering practices of the industry for optimum piping layout/routing for above and below ground, selection of piping material, understanding of various types of stresses to be considered in piping, selection and location pipe supports.

Course Objectives

This course will give basic inputs to delegates regarding routing good piping layout, understand various stresses involved, location and types of supports, so this know how, will help them in day to day functions in piping to confirm good engineering practices and ensure compliance.

Who should attend?

- ♣ Design Engineers, Draftsman
- ♣ QA/QC, Fabrication Engineers & Managers
- ♣ Piping construction & Inspection Engineers
- ♣ Marketing & Estimation Engineers / Managers
- ♣ Representatives of Piping Industry
- ♣ Contractors and consultants

Registration Fee : Rs. 1,500 + 18 % GST
Per Participant

Toll Free: 1800-209-0902

TÜV®

Course Contents

- ♣ Piping layout guidelines
- ♣ General practices for optimum routing
- ♣ P & I drawings & critical line list study
- ♣ Pipe rack general design guidelines
- ♣ Basic design engineering workflow
- ♣ Detailed design & construction drawings
- ♣ Material specifications & selection
- ♣ Standard pipe fittings & selection
- ♣ Piping stress analysis introduction
- ♣ Piping support types & selection

Issue of Certificate

TUV India certificate of attendance shall be issued to all the delegates, who attend entire duration of course.

Duration : 180 Minutes (3 Hours)

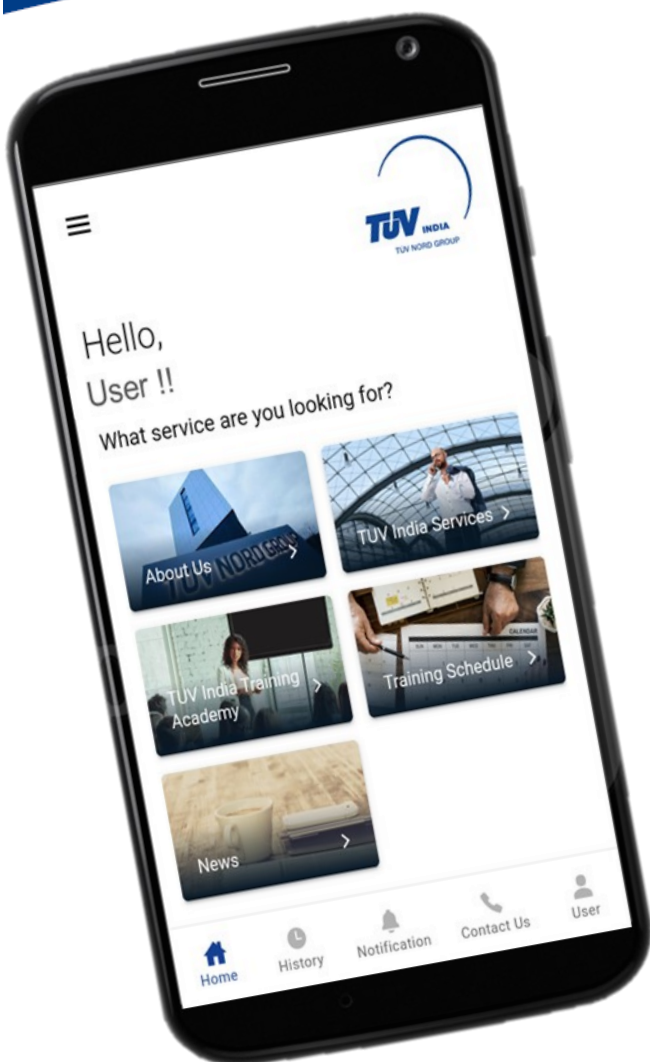

TÜV NORD GROUP

Expertise for your Success

All our Online Training Offerings are for the resident of India & Sri Lanka Only.

TUV India's Customer Friendly Mobile App

TUV INDIA TRAINING ACADEMY (TITA)

Our user friendly mobile application is developed to provide constant connect with our customers and participants along with hands-on information about the latest offerings of TUV India Training Academy. The app is also apprising the users on diverse service portfolio of TUV India along with latest developments related to our company.

Some of the highlights of our app are:

- **Available on Android- Google Play Store & iOS Apple Store**
- **Provides overview about TUV India (TUV NORD GROUP), our services and latest developments**
- **Details about TUV India Training Academy offerings**
- **Training Schedules – both Class Room and Online Trainings**
- * For each training, the app provides Course Features, Who should attend, Course Contents, Pre-requisites etc
- * Link for Registering for the course of choice with integrated payment gateway
- * Payment History (Receipts, Invoices)
- * Certificates for attended programs based on user eligibility
- * Notifications related to new offerings and sessions
- * Contact us with linked email or phone (toll free number)
- * Individual User Profile
