

Webinar for Overview on Brand Reputation Compliance Global Standard – Packaging and Packing Materials Issue 6

Date : 27th April 2020, Time: 10.00am to 1.00pm

Course Features

The aim of this webinar is to spread awareness and understanding of the requirements of Global Standard for Packaging Materials as per its latest Issue 6.

The Global Standard for Packaging Materials was designed to protect the consumer by providing a common basis for the certification of companies supplying packaging to food producers.

The Standard provides a framework for all types of packaging manufacturer to produce safe packaging materials and to manage product quality to meet customers' requirements, while maintaining legal compliance.

The Standard has been developed to specify the product safety, quality and operational criteria that must be in place within a packaging manufacturing organization in order for it to fulfil its obligations with regard to legal compliance and protection of the consumer.

We are also pleased to inform you that BRCGS representative Mr Benz Thomas :Regional Head –SAARC who shall be on the panel to answer your Q&A and also give a brief on Covid 19 situation with respect to certificated sites
