TÜV®

All our Online Training Offerings are for the resident of India & Sri Lanka Only.

Course Contents

- Introduction to Welding
- Various welding processes
- Welding Consumables, power Sources and welding machines
- Joint types, Welding Positions and Welding Symbols
- Visual Inspection of welds
- Introduction to NDE for weld examination
- Welding defects and mitigation measures
- Welding Procedure Qualification
- Welding Personnel Qualification
- Basic Mechanical Testing
- Welding Metallurgy and stress relieving
- Introduction to welding codes
- Way ahead

Issue of Certificate

Certificate of successful attendance shall be issued to all the delegates who attend entire duration of the course.

TÜV NORD GROUP

Expertise for your Success

TUV India's Customer Friendly Mobile App

TUV INDIA TRAINING ACADEMY (TITA)

Our user friendly mobile application is developed to provide constant connect with our customers and participants along with hands-on information about the latest offerings of TUV India Training Academy. The app is also apprising the users on diverse service portfolio of TUV India along with latest developments related to our company.

Some of the highlights of our app are:

- Available on Android- Google Play Store & iOS Apple Store
- Provides overview about TUV India (TUV NORD GROUP), our services and latest developments
- Details about TUV India Training Academy offerings
- Training Schedules – both Class Room and Online Trainings
- * For each training, the app provides Course Features, Who should attend, Course Contents, Pre-requisites etc
- * Link for Registering for the course of choice with integrated payment gateway
- * Payment History (Receipts, Invoices)
- * Certificates for attended programs based on user eligibility
- * Notifications related to new offerings and sessions
- * Contact us with linked email or phone (toll free number)
- * Individual User Profile
