

Webinar on Awareness program on EN 1090 -1 & 2 (Technical Requirements of Steel Structure) and CE marking as per Regulation (EU) No. 305/2011

Date : 28th February'2021, Time: 10.00am to 1.00pm

Course Features

Course will provide overview on Certification Requirements and System along with understanding basic requirements of EN 1090 for manufacturing, welding, welding systems, controls, establishing execution class, Consequence Classes, Service Categories and Production Categories of structural steelwork as structures. The conformity assessment of steel components including the manufacturing characteristics, brief requirement of structural design characteristics.

Course Objectives

The training course designed to give insight to delegate on EN 1090 Basics, Certification Process and System Requirements, so that delegate can effectively implement system requirement in compliance to EN 1090 – 1 / 2 and prepare DOP

Course Contents

- ♣ Requirements of CPR 305/2011
- ♣ Introduction to EN 1090
- ♣ Construction product requirements
- ♣ EN 1090-1 Execution of steel structures and Requirements for conformity assessment of structural components
- ♣ Structural Characteristic
- ♣ Requirement of structural design and evaluation
- ♣ Factory production control
- ♣ EN 1090-2 Technical requirements for the execution of steel structures
- ♣ Determination of Execution class
- ♣ Consequence Classes
- ♣ Stress categories
- ♣ Production categories
- ♣ Requirement of quality levels
- ♣ Preparation of DOP

Who should attend?

- ♣ QA / QC, Production, Inspection, Managers and Engineers.
- ♣ Welding Inspectors, Welding Coordinators, Auditors, and Inspection Engineers involved in welding activities.
- ♣ Representatives of welded structural component manufacturers of Infrastructure, Bridge, Building, towers etc.

Issue of Certificate

Certificate of attendance shall be issued to all the delegates attending entire duration of the course

Duration: 3 Hours (180 minutes)

Registration Fee : Rs. 1,500 + 18 % GST Per Participant

All our Online Training Offerings are for the resident of India & Sri Lanka Only.

TUV India's Customer Friendly Mobile App

TUV INDIA TRAINING ACADEMY (TITA)

Our user friendly mobile application is developed to provide constant connect with our customers and participants along with hands-on information about the latest offerings of TUV India Training Academy. The app is also apprising the users on diverse service portfolio of TUV India along with latest developments related to our company.

Some of the highlights of our app are:

- Available on Android- Google Play Store & iOS Apple Store
- Provides overview about TUV India (TUV NORD GROUP), our services and latest developments
- Details about TUV India Training Academy offerings
- Training Schedules – both Class Room and Online Trainings
- * For each training, the app provides Course Features, Who should attend, Course Contents, Pre-requisites etc
- * Link for Registering for the course of choice with integrated payment gateway
- * Payment History (Receipts, Invoices)
- * Certificates for attended programs based on user eligibility
- * Notifications related to new offerings and sessions
- * Contact us with linked email or phone (toll free number)
- * Individual User Profile
