

Working for TÜV NORD Integra means working in an honest, knowledge-driven organization that has a great eye for your work life balance. More than 60 highly trained professionals are part of the informal, jointly responsible corporate culture that you will find at TÜV NORD Integra. TÜV NORD Integra is part of the international TÜV NORD GROUP, active in more than 70 countries with over 13,000 employees.

TÜV NORD Integra certifies an extensive range of quality systems: Organic production, food safety (BRC, IFS, FSSC, ISO, ...), good agricultural practices (GLOBALG.A.P., Vegaplan, ...), sustainability (UTZ, RSPO, ...). The certificates we issue are proof that our clients apply state of the art quality systems. Our customers are located in Belgium, but also in many other European and non-European countries.

Together with our TÜV NORD colleagues from the Netherlands and Germany, we are building a new business in the field of Information Security (ISMS).

Therefore, we are recruiting:

Auditor Information Security

What does the job entail?

- Together with the business development person, bringing this new service to the market.
- Shaping the internal procedures for this new department within our quality system.
