

CQI / IRCA Approved Lead Auditor Training Course on FSSC 22000 Version 6

Course Features:

This is CQI/IRCA approved course on FSSC 22000 Training (IRCA Course No. 2398). The course uses a mixture of taught sessions, discussions and practical exercises to achieve its aims over a period of 5 Days. The practical exercises are based upon a fictional company and have been carefully designed to focus upon issues that commonly arise during FSSC audits. These exercises also help in providing a significant amount of awareness to the group of people in the organization by way of participating in individual/group exercises as well as experience sharing. The course focuses on imparting knowledge and developing skills in conducting audits of FSSC 22000 effectively and independently as a team leader.
