

EXPORTING GOODS TO EGYPT

ARE YOU AN EXPORTER, AN IMPORTER OR A SUPPLIER?

TÜV NORD can ensure that your products can enter Egypt safely and easily, without excessive paperwork.

THE PROCESS IN A FEW STEPS

We verify your documents

Laboratory tests (we take the samples or you provide us with the lab reports)

We do the inspection of the goods and send the required documents to TÜV NORD Egypt

CERTIFICATE OF CONFORMITY

If all requirements are fulfilled, you obtain the certificate of conformity. It undoubtedly proves that the goods are verified against Egyptian standards and are in conformity with the program of the Egyptian General Organization of Export and Import Control.

WHY CHOOSING FOR TÜV NORD?

TÜV NORD has offices in Belgium as well as in Egypt. We combine an in-depth knowledge of the Egyptian regulations and requirements with an in-depth knowledge of food standards and inspection protocols.
