

GLOBAL G.A.P Certification

Cultivating the future for India

GLOBAL G.A.P. is the internationally recognized standard for farm production. Our goal is safe and sustainable agricultural production to benefit farmers, retailers and consumers throughout the world.

GLOBAL G.A.P Certification Covers:

- Food safety and traceability
- Environment (including biodiversity)
- Workers' health, safety and welfare
- Animal welfare
- Includes Integrated Crop Management (ICM), Integrated Pest Control (IPC), Quality Management System (QMS), and Hazard Analysis and Critical Control Points (HACCP)

It improves business performance and reduces waste of vital resources. It also requires a general approach to farming that builds in best practices for generations to come.

5 Steps to Get Certified:

- Download the relevant GLOBAL G.A.P. standard documents from Global GAP document centre
https://www.globalgap.org/uk_en/documents/
- Register with TÜV India Pvt Ltd, and get your GLOBAL G.A.P. Number (GGN)

- Carry out a self-assessment using the checklist and correct all the points you don't comply with. A GLOBAL G.A.P. licensed Farm Assurer, who is a trained, can provide you with valuable assistance during this self-assessment and your inspection and/or audit preparations.
- Arrange an appointment with us. An inspector/ auditor will then conduct the first on-site inspection/audit.
- Once you successfully comply with the standard's requirements, you will receive a GLOBAL G.A.P. Certificate for the relevant version and scope. The certificate is valid for one year.

Key Benefits:

- Key requirements for food safety, sustainability and hygiene are fulfilled.
- Ensure your sourcing by developing a network of reliable producers.
- Ensure traceability of your products right to the farm level.
- Benefit from GLOBAL G.A.P.'s unique world-class system including the Integrity Program, which assures certification reliability and high auditing performance.
- Customize GLOBAL G.A.P. to respond to new and changing market requirements and consumer demands.
- Continual improvements.

TUV India Food Certification Portfolio:

- ISO 9001
- GMP
- HACCP
- ISO 22000
- FSSC 22000
- ISO 15378
