

BRC Global Standard for Food Safety Issue 9: Conversion for Sites

Course Features:

This course enables participants to understand the changes in the Global Standard Food Safety Issue 9 and reinforce understanding of the general principles of the requirements of the Standard for onsite application. Active learning is encouraged throughout the course utilising case study-based activities to encourage critical thinking and enable understanding on how sites will implement the Standard. It is advised that participants must have working knowledge of the Global Standard Food Safety Issue 8 and HACCP.

Course Objectives:

- Understand the interpretation of the requirements of the Standard
- Identify and understand the changes to the Standard from Issue 8
- Understand the scope of companies and products covered by the Standard
- Understand steps to conduct a BRCGS audit including the preparation, planning, and reporting of the audit
- Understand the resources and tools available for compliance and support from BRCGS

Who should attend ?

- Quality Managers, Technical Managers, Operations Managers
- Importers and exporters of food products
- Food service staff
- Internal audit personnel

- Current BRCGS Auditors

Course Contents:

- Introduction to BRCGS
- Scope and format of the Standard
