

ISO/IEC 17025:2017 Internal Auditor

The course is highly interactive, not only with reference to answering queries, but also sharing the experience gathered through regular audits & working experience in the industry. The course includes series of lectures with individual/syndicate exercises for better learning.

The course objective is to refresh/develop understanding on the structure & requirements of ISO/IEC 17025, to understand Key concepts & principles of auditing, to impart/enhance auditing skills and to enable the delegates to plan, conduct & manage laboratory QMS internal audits.

Who should attend?

Individuals interested in:

- ♣ Becoming competent internal auditors for laboratory QMS,
- ♣ Implementing QMS based on requirements of ISO/IEC 17025 in their organization,
- ♣ Attending higher level courses such as Lead Auditor Course

Also suitable for:

- ♣ Laboratory Quality managers
- ♣ Management representatives and/or departmental/functional quality coordinators,
- ♣ Consultants
