PECB CERTIFIED TRAINING COURSE

ISO 37001:2016

Lead Auditor Training Course (Anti-Bribery Management System)

TÜV NORD is a well-established and reliable partner for inspection and certification services throughout the world. With more than 1,200 experienced experts, our pool of auditors guarantees the highest level of competence in the certification of management systems, products and personnel.

Mastering the Audit of Anti-bribery Management System (ABMS) based on ISO 37001

Why should you attend?

ISO 37001 Lead Auditor training enables you to develop the necessary expertise to perform an Anti-bribery Management System (ABMS) audit by applying widely recognized audit principles, procedures and techniques. During this training course, you will acquire the knowledge and skills to plan and carry out internal and external audits in compliance with ISO 19011 and ISO/IEC 17021-1 certification process.

Based on practical exercises, you will be able to master audit techniques and become competent to manage an audit program, audit team, communication with customers, and conflict resolution.

After acquiring the necessary expertise to perform this audit, you can sit for the exam and apply for a "PECB Certified ISO 37001 Lead Auditor" credential. By holding a PECB Lead Auditor Certificate, you will demonstrate that you have the capabilities and competencies to audit organizations based on best practices.
