

## Online Training Program on FoSTaC - (Milk & Milk Products) & COVID - Food Safety Supervisor

### Course Features

As per FSSAI, FoSTaC trainings are approved for virtual mode, and TÜV India as a 'training partner' is following the guidelines to ensure that the training module meets the expectations in terms of being interactive and create a team involvement with focus on knowledge sharing by technically expert trainers.

The program provides the understanding of FoSTaC - Special Milk & Milk Products with examples, experience sharing and case studies for better understanding. The key objective is to understand the importance and necessity of food safety for all Food Business Operators (FBOs) as per the guidance manual of FSSAI for milk & milk products.
