

1. Purpose

The purpose of these terms and conditions are to clearly define the application and limitations of use of the UKCA / CE UKNI markings and TÜV UK's UK Approved Body / Notified Body Northern Ireland Number.

2. Scope

The scope of these terms and conditions cover conformity of products assessed by TÜV UK in accordance with the requirements of the applicable standard.

3. Requirements

The UKCA marking, and where appropriate, the TÜV UK Approved Body Number shall be applied only when the product fully complies with the regulations.

The CE UKNI marking, and where appropriate the TÜV UK Notified Body Number shall be applied only when the product fully complies with the regulations.

The Contractor shall supply the names and signatures of the persons authorised to apply the UKCA or CE UKNI marking and or TÜV UK Approved or Notified Body Northern Ireland Number.

The Contractor shall establish a written procedure for controlling the final UKCA or CE UKNI marking and TÜV UK marking. This procedure shall be approved by TÜV UK Ltd.

The Contractor shall issue a declaration of conformity, reference the Supply of Machinery (Safety) Regulations 2008.

The Contractor shall not issue misleading or otherwise improper advertisements using the UKCA or CE UKNI marking.

No company or location shall mark products with TÜV UK's UK Approved Body or Notified Body Northern Ireland Number other than that shown on the relevant TÜV UK certificate.

The Contractor shall continuously monitor products marked with the UKCA or CE UKNI marking in accordance with the conformity assessment requirements.

All changes to products must be notified immediately to TÜV UK Ltd as otherwise the products will not conform to the applicable Regulations.

Any defect or damage which becomes apparent subsequent to the examination but which was not detected or recorded during the examination must be notified immediately to TÜV UK Ltd.
