About Training Services

Wherever industry sectors meet, TÜV NORD Group is there. We present our know-how and comprehensive service portfolio at many leading trade fairs and exhibitions throughout the world. When legislation changes, we understand the consequences. Our specialist workshops provide information on the effects of new directives, regulations and ordinances and transform theoretical principles into practical knowledge. We demonstrate how we make your world safer at numerous events, such as seminars and days of action - and we are looking forward to meeting you!

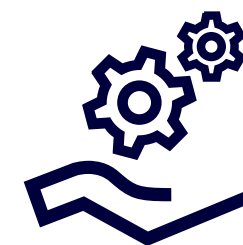

Our approach - accelerated learning via participation in activity-based learning and sharing with peers.

Expert tutors in their field - offering a world-class learning experience that our delegates rate as first class. They know best how to transform your organization by turning our experience into your expertise.

Internationally recognized TÜV NORD Indonesia certificates - TÜV NORD Indonesia Training certificate is a mark of expertise, quality and integrity.

Training Services Blockchain-based solution - enables you to showcase your achievements with just on click through a single trusted platform, powered by the OriginTrail Decentralized Knowledge Graph and underlying blockchains.

Training Services Personal Qualifications

By successfully completing a combination of courses and assessments, you'll earn a TÜV NORD Indonesia qualification and the right to use a TÜV NORD Indonesia Mark of Trust 3 (professional badge).

The TÜV NORD Indonesia 'Professional' badge is used by individuals who have passed a TÜV NORD Indonesia training course successfully.

The badge provides a strong and credible endorsement that can be displayed in a person's CV, LinkedIn profile, email signature or any similar information.

In addition to highlighting a person's professional competence, it also provides confidence and helps you stand out.
